

BION CORPORATION LTD.

Bion Corporation is manufacturer and supplier of Dietary Supplements. Our comprehensive line of products is focused towards ENRICHING LIFECARE by addressing important health needs from childhood to golden years.

We are manufacturer of high quality products that are produced according to European GMP guidelines and standards set by ISO 22000. At our disposal we have trained, highly qualified team, modern, well quipped premises and sophisticated machinery which meets all the requirements of EU regulations and legislations. **Bion Corporation** approaches the global market with a vision of human health. Our policy is to continually keep pace with the best manufacturing practices to be found on the market and to supply customers with best products based on best ingredients.

Bion Corporation is innovative company with established research and manufacturing capabilities across multi-therapeutic domains. We successfully leverage our penchant for science and technology to create niche products and manufacturing platforms leading to attractive growth. Our products have received recognition by some of the most demanding customers around the world.

Pack Size: 3x10

Sedofaq Capsules

Sedofaq is an excellent combination of herbs for sedative effect. It has a range of sedative actions that include pain relief, antidepressant and anxiolytic.

Each capsule contains:

Valeriana Officinalis	100 mg
Passiflora Incarnata	25 mg
Grataegus Sanguinea	25mg

Indications:

- Sleep disorders
- Physical and mental stress

NOX NIGHT Tablet

Nox Night is a dietary supplement containing melatonin with herbs and vitamin, a unique combination that regulates the body's natural sleep cycle. **Nox Night** helps establish normal sleep patterns to promote a more restful, relaxing sleep and better overall health.

Each tablet contains:

Valeriana Officinalis	150 mg
Passiflora Incarnata	75 mg
Melatonin	3 mg
Vitamin B6	5 mg

Indications:

- Insomnia
- Restlessness

Pack Size: 3x10

Pack Size: 3x10 / 50 ml

Nervoset Capsules/ Drops

Nervoset is a natural herbal combination for calming effect. This combination helps to normalize the functioning of the nervous system, to fight stress and has mild soothing properties. It extends gentle and mild effect on growing children and adults, which improves the quality and duration of sleep; is safe and well-tolerated.

Each capsule contains:

Valeriana Officinalis	25 mg
Humulus Lupulus	25 mg
Hypericum Perforatum	25 mg
Melissa Officinalis	25 mg

Each 1 ml contains:

Chamomile Recutita	10 mg
Passiflora Incarnata	5 mg
Mentha Piperita	1 mg
Melissa Officinalis	5 mg

Indications:

- Improves the quality and duration of sleep
- Reduces insomnia and sleep disturbances

Pack Size: 3x10

BIOSERIN Tablet

Bioserin is a perfect brain food. The first unique combination of essential brain nutrients. **Bioserin** is an excellent dietary supplement to increase memory and attention, boost learning, intensify concentration, relieve depression and improve mood.

Each tablet contains:

Phosphatidylserine	100 mg
Phosphatidylcholine	200 mg
Ginkgo Biloba	30 mg
Vitamin B1	5 mg
Vitamin B6	5 mg
Vitamin B12	6 mcg

Indications:

- Lack of focus and attention
- Psycho-emotional stress
- Memory loss

GABAMEG-6 Capsules / Syrup

Gabameg-6 is specially designed to be extremely effective Amino Acid neurotransmitter with added advantage of Magnesium and Vitamin B6. **Gabameg-6** is recommended for adults and kids for mental function impairment, senility, depression, emotional imbalance, memory loss, asthenia, anxiety.

Each capsule/5 ml contains:

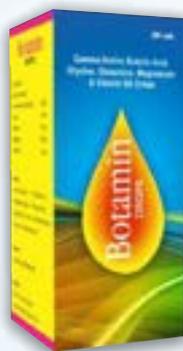

Gamma Amino Butyric Acid (GABA)	200 mg
Magnesium Glutamate	75mg
Vitamin B6	2 mg

Indications:

- Memory and speech impairment
- Improvement of functioning of the nervous system

Pack Size: 2x10/ Syrup

Pack Size: 2x10 / 30 ml, 50 ml

BOTAMIN Tablet / Drops

Botamin is extremely effective combination to improve cerebrovascular circulation in children and adults. **Botamin** helps to improve memory, speech and attention.

Each 5ml of Botamin drops contains:

Gamma Amino Butyric Acid	125 mg
Magnesium Sulphate	100 mg
Glutamine	100 mg
Glycine	75 mg
Vitamin B6	0.5 mg

Each Botamin tablet contains:

Gamma Amino Butyric Acid	200 mg
Glycine	200 mg
Magnesium Sulphate	150 mg
Vitamin C	150 mg
Vitamin B1	5 mg
Vitamin B6	1 mg
Folic Acid	100 mcg

Indications:

- Improvement of functioning of the nervous system
- Emotional imbalance, stress
- Disturbances related to memory, speech and attention

OXYBRAMIN Capsule

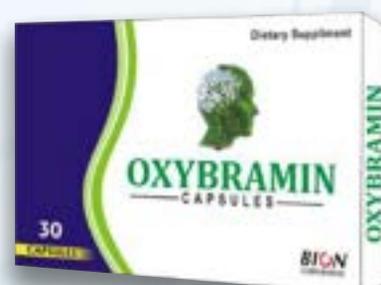

Oxybramin is combination of natural herbs to improve cerebral circulation.

Each capsule contains:

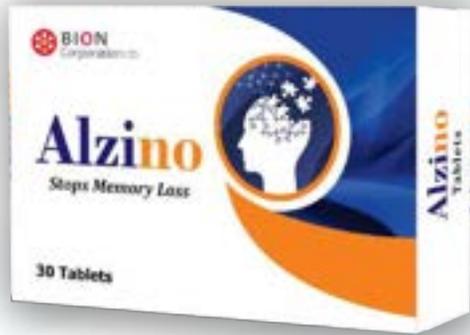

Ginkgo Biloba	60 mg
Vinco Minor	30 mg

Indications:

- Insufficient cerebral circulation
- Poor cognitive functions (memory, speech, concentration)

Pack Size: 3x10

Pack Size: 30

ALZINO Tablet

Alzino is helpful for people suffering from neurodegenerative diseases as Alzheimer's disease accompanied by dementia, cerebrovascular trauma, memory impairment, lack of attention and anxiety.

Each tablet contains:

Di-methyl Glycine	250 mg
Panax Ginseng	100 mg
Phosphatidylserine	100 mg
Myo-Inositol	100 mg
Magnesium L-threonate	100 mg
Vitamin B1	1 mg
Vitamin B6	1 mg
Vitamin B12	2 mcg
Folic Acid	200 mcg
Vitamin D3	200 IU (5 mcg)

Indications:

- Helps to slow down the neuro degenerative process in patients of Alzheimer's, Dementia.
- Protecting the brain from age-related changes (Alzheimer's disease and dementia)
- Improves cognitive functions (memory, concentration, learning)
- Helpful for memory loss, anxiety, attention deficit.

PROBIOTICS

Pack Size: 3x10

SANUSLAC Capsule

Sanuslac is specially designed combination of Probiotics to promote the normalization and maintenance of normal intestinal flora. **Sanuslac** consists of a complex of three major beneficial bacteria, which are normally present in the intestinal microflora of healthy humans.

Each capsule/ sachet contains:

Lactobacillus Acidophilus	1 Billion
Lactobacillus Rhamnosus	1 Billion
Lactobacillus Reuteri	1 Billion

Indications:

- Diarrhea
- With antibiotics (Restoration of intestinal flora)

PROLAMAX Capsule

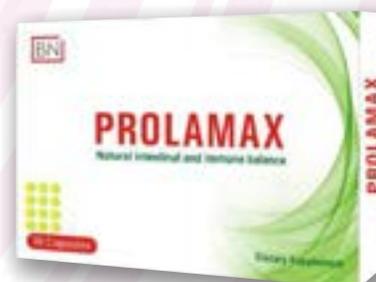

Prolamax is effective combination of living bacteria which are part of the normal intestinal flora, to maintain and regulate the physiological microbiological balance and reducing oxidative stress thereby improving immunity of body naturally.

Each capsule/ sachet contains:

Lactobacillus Casei	1 Billion
Lactobacillus Rhamnosus	1 Billion
Lactobacillus Reuteri	1 Billion
Bifidobacterium Bifidum	1 Billion
Lactobacillus Acidophilus	1 Billion

Indications:

- Various types of skin problems (eczema)
- Weak immunity

Pack Size: 3x10/ 10 Sachet

SYMBINOL Capsule

Symbinol is recommended for the normalization of intestinal microflora and gastrointestinal tract functioning. **Symbinol** helps aids from dysbacteriosis, helps to eliminate skin problems (eczema, acne, psoriasis), as a supportive agent for seasonal allergic reactions.

Each capsule/ sachet contains:

Lactobacillus Casei	250 Million
Lactobacillus Rhamnosus	250 Million
Lactobacillus Plantarum	250 Million
Bifidobacterium Bifidum	250 Million
Lactobacillus Acidophilus	250 Million
Bifidobacterium Breve	250 Million
Streptococcus Thermophilus	250 Million
Bifidobacterium Longum	250 Million
Inulin	70 mg

Indications:

- Disturbance in gastro intestinal flora due to antibiotics
- Skin problems (eczema, acne, pimples)

Pack Size: 3x10

LACTO-BIFI Capsule/ Sachet

Lacto-Bifi is specially designed combinations of Probiotics to promote the normalization and maintenance of normal intestinal micro flora. **Lacto-Bifi** contains complex of ten major beneficial bacteria, which are normally present in the intestinal microflora of healthy humans.

Lacto-Bifi Sachet		Lacto-Bifi Capsule	
L. Acidophilus	3.0x10 ⁶	L. Acidophilus	3.0x10 ⁸

Zinc elemental	3 mg	Zinc elemental	4 mg

Indications:

- Digestive disorders (diarrhea, constipation, dyspepsia)
- Disturbed gastrointestinal flora

Pack Size: 2x10/ 10 Sachet

GASTRO INTESTINAL

Pack Size: 30 ml, 50 ml

FLORAS Drops

Floras Drops are an effective and safe anti-colic for infants for relief from colic pain, griping pain and flatulence.

Each 1ml (15 drops) contains:

Simethicone	40 mg
Dill Oil	0.005 ml
Fennel Oil	0.0007 ml

Indications:

- Flatulence
- Colic Pain

HELMIZIN Syrup

Helmizin is extremely effective herbal anthelmintic combination to eliminate parasitic worms in the intestinal tract, removal of toxic substances, improving the functioning of the digestive system, the overall strengthening of the body. **Helmizin** has detoxifying properties.

Each 5 ml contains:

Embelia Ribes	50 mg
Cucurbita Pepo	50 mg
Teucrium M.V.	30 mg
Allium Sativum	30 mg
Inula	30 mg
Chenopodium	30 mg
Rhamnus Frangula (dry roots powder)	30 mg
Mentha Piperita (dry extract)	20 mg

Indications:

- For treatment & removal of different types of parasites from intestinal tract
- Dyspepsia, meteorism, spastic and chronic constipation

Pack Size: 100 ml, 200 ml

Pack Size: 30ml, 3x10

LACTIDIN Capsules/ Drops

Lactidin promotes rapid blocking of the symptoms of lactase deficiency and improve the quality of digestion. In infants, **Lactidin** has good use for proper digestion of breast milk, reduce the severity of abdominal pain and eliminate colic. In **Lactidin**, Lactase enzyme is sourced from *Aspergillus Oryzae* which is considered as one of safest source for human consumption as per scientific data.

Each capsule contains:

Lactase Enzyme (<i>Aspergillus Oryzae</i>)	30mg (3000 ALU)
---	-----------------

Each 1ml contains:

Lactase	3750 ALU
---------	----------

Indications:

- Lactase deficiency
- Lactose intolerance

PANREPLUS Capsule

Pancreplus is a unique and effective combination of pancreatic enzymes, papain, fungal diastase, charcoal and ginger. **Pancreplus** aids in digestion and absorption of food.

Each capsule contains:

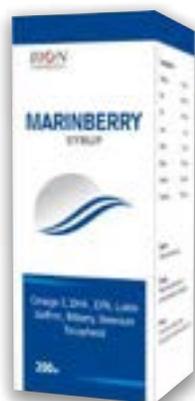

Pancreatin	200 mg
-Amylase	5000 USP
-Lipase	5000 USP
-Protease	400 USP
Papain (from papaya)	50 mg
Fungal Diastase	100 mg
Activated Charcoal	75mg
Ginger (root)	40 mg

Indications:

- Dyspepsia
- Flatulence
- Loss of appetite

Pack Size: 3x10

Pack Size: 200 ml

MARINBERRY Syrup

Marinberry provides combination of all the necessary ingredients for total growth of child. During the growing years, **Marinberry** supplements the need of vital organs.

Each 200 ml contains:

Omega 3	700 mg (DHA 420 mg, EPA 280 mg)
Lutein	10 mg
Saffron	50 mcg
Bilberry	100 mg
Selenium	20 mcg
Tocopherol	1 mg

Indications:

- Better physical and mental growth in children
- Strengthens eye, heart, lungs and other vital organs in growing children

KARNITIN Suspension

Karnitin suspension is helpful for children who do not have enough carnitine in their body which is a key amino acid to generate energy for the entire body. **Karnitin** is also helpful for children who are actively involved in sports. Levocarnitine increases physical endurance, reduces muscle pain and accelerates the child's recovery after physical activity.

Each 1 ml contains:

Levocarnitine	100 mg
---------------	--------

Indications:

- Low body weight
- Insufficient development of motor and mental functions
- Premature babies and newborns

Pack Size: 100 ml

CARDIOVASCULAR

Pack Size: 3x10

CARNITON Tablets

Carniton is a unique combination of dynamic ingredients which help to protect the heart and boost energy levels for an increased feeling of overall vitality.

Each tablet contains:

L - Arginine	500 mg
L - Carnitine	250 mg
Coenzyme Q10	30 mg

Indications:

- Improving in functioning of cardiac muscles
- Increased metabolic function

CARNIKIT Capsule

Carnikit is a healthy combination for the strengthening of the cardiovascular system. Due to its unique composition, **Carnikit** improves the heart health by limiting oxidative damage, reducing the blood pressure, improving the heart function, and strengthens the organism in general.

Each capsule contains:

L-Carnitine	500 mg
Coenzyme Q10	30 mg
Resveratrol	5 mg
Omega-3	100 mg

Indications:

- Strengthening of blood vessels and normalization pulse rate
- Supports weak heart muscle

Pack Size: 3x10

CARDIMAG Capsule

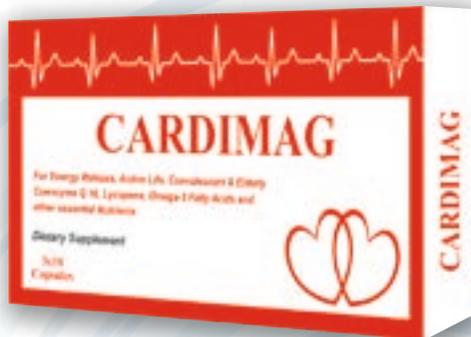

Cardimag is a unique combination of natural active ingredients to improve tonicity of heart and cardiac system. **Cardimag** improves heart health by limiting oxidative damage, supports reducing blood pressure and strengthening of the cardiac system in general.

Each capsule contains:

Coenzyme Q10	100 mg
Lycopene	5 mg
Omega 3 fatty acids	
- EPA	90 mg
- DHA	60 mg
Natural Mixed Carotenoids (10%)	11 mg
Wheat Germ Oil	25 mg
Calcium Ascorbate	75 mg
Vitamin B12	3 mcg
Selenium Dioxide Monohydrate	55 mg
Zinc Sulfate	15 mg

Indications:

- Powerful antioxidant support for the heart
- Strengthening of blood vessels

Pack Size: 3x10

MOBION Tablets

Mobion has a cholesterol-lowering effect and in particular LDL cholesterol which is bad. **Mobion** decreases the plasma concentration of LDL, increases the levels of high density lipoproteins, which prevents degenerative changes in the walls of blood vessels.

Each tablet contains:

Monokolin-K	10 mg
Vitamin B1	0.5 mg
Vitamin B6	0.5 mg
Vitamin B12	1.0 mcg
Folic Acid	200 mcg

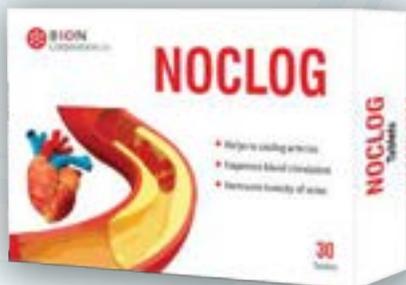

Indications:

- High Cholesterol (LDL)
- Abnormal lipid profile

Pack Size: 3x10

CARDIOVASCULAR

Pack Size: 30

NOCLOG Tablets

Noclog is a unique Bion's combination of natural ingredients for preventing atherosclerosis, improving blood circulation and strengthening artery walls.

Each tablet contains:

Quercetin	250 mg
Ruscus Aculeatus	150 mg
Sesame Seed Lignan Extract	20 mg
Rutin	100 mg
Ginkgo Biloba	60 mg

Indications:

- Noclog is recommended for the treatment and prevention of atherosclerosis, it reduces blood pressure and improves vein tone for arterial thrombosis.
- Increased metabolic function

NOPRIL Tablet

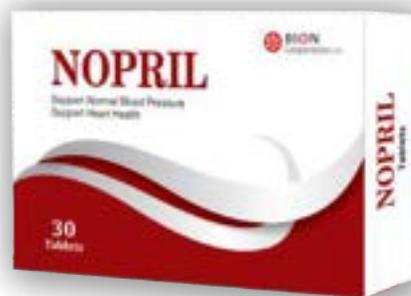

Nopril is a unique combination of ingredients from Bion with scientifically proven efficacy to normalize blood pressure and protect the cardiovascular system.

Each tablet contains:

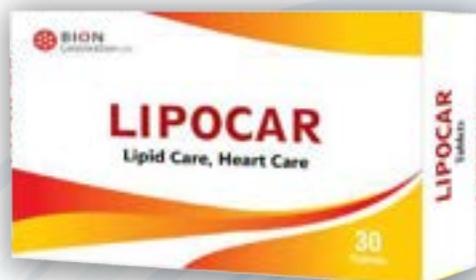

Urtica Dioica (Nettle)	200 mg
Taurine	200 mg
Crataegus Laevigata	150 mg

Indications:

- Supports Normalization of blood pressure
- Support healthy heart

Pack Size: 30

Pack Size: 30

LIPOCAR Tablet

Lipocar supports lipid care, heart care.

Each tablet contains:

Lecithin	200 mg
Alfalfa (Medicago Sativa) extract	250 mg
Hawthorn (Crataegus) fruit extract	150 mg

Indications:

- Supports normal lipid levels
- Supports reducing the bad cholesterol (LDL) and increase good cholesterol (HDL)

HEPATO-BILIARY

Pack Size: 3x10

HEPOS Tablets

Hepos is an extremely effective hepatoprotector. **Hepos** improves appetite and feeling of well being, reduces nausea and improves in asthenia and fatigue. **Hepos** provides hepatocellular protection by stabilizing hepatic cell membranes.

Each tablet contains:

Silymarin	70 mg
L - Ornithine L - Aspartate	250 mg
Thiamine	5 mg
Riboflavin	5 mg
Pyridoxine	3 mg
Niacinamide	50 mg
Calcium D-Panthenate	10 mg
Cyanocobalamin	10 mcg

Indications:

- Supportive therapy of acute and chronic viral infections.
- Prophylaxis of fatty liver.
- Intoxication of liver from alcohol or heavy metals.

SAMEON Tablets

Sameon contains Ademetionine or S-Adenosylmethionine (SAME) which is a derivative of the amino acid methionine and is a naturally-occurring substance distributed throughout the human body. SAME is present in all living cells and takes part in many biochemical reactions in the body and therefore important for a large number of metabolic pathways in the body. Ademetionine is not easily available from typical dietary sources.

Each tablet contains:

S-Adenosylmethionine	200 mg or 400 mg
----------------------	------------------

Indications:

- Supporting healthy liver function
- Providing general liver tonic effect
- Reduction of tiredness and fatigue

Pack Size: 2x10

Pack Size: 2x10

SAMGLUT Tablet

Samglut is a novel hepatic antioxidant combination which brings together two potent hepatic antioxidants S-adenosylmethionine and Glutathione. Both S-adenosylmethionine and Glutathione are widely accepted hepatic antioxidants and combining them increase their efficacy rather more.

Each tablet contains:

S-Adenosylmethionine	400 mg
Glutathione	250 mg

Indications:

- Impaired functioning of the liver and biliary tract, digestive system
- Effective antioxidant

ESEM Capsule

Esem contains essential phospholipids from soybean seed and as an herbal remedy is used to relieve symptoms of liver damage / disorders such as pain in right upper abdomen and loss of appetite. **Esem** is helpful for people who have toxic liver damage or chronic inflammation of liver.

Each capsule contains:

Essential Phospholipids	300 mg
-------------------------	--------

Indications:

- Supportive therapy of acute and chronic viral hepatitis
- Prophylaxis of fatty liver
- Protect liver from toxins, heavy metals, alcohol

Pack Size: 3x10

HEPATO-BILIARY

Pack size: 3x10

HEPATOFIX Capsule

Hepatofix is a synergistic hepatoprotector. **Hepatofix** contains essential phospholipids and silymarin, these components mutually reinforce each other's action. Due to its composition, it improves functional processes and the condition of the liver in general.

Each soft gelatin capsule contains:

Essential Phospholipids	300 mg
Silymarin	150 mg

Indications:

- Improvement of liver functionality in chronic liver diseases and cirrhosis
- Stimulates the restoration of liver cells

LIVBON Syrup

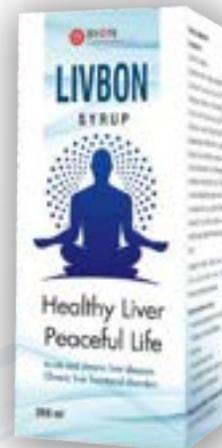

Livbon is a complex herbal hepatoprotector, developed according to Ayurvedic principles of liver treatment, proven plants for thousands of years promote the regeneration of liver cells and stimulate their biosynthetic function. Significantly weakens the effect of lipid peroxidation on the membranes of hepatocytes. Reduces the effect of toxins on the liver cells and eliminates the symptoms of biliary dyskinesia.

Each 10 ml contains:

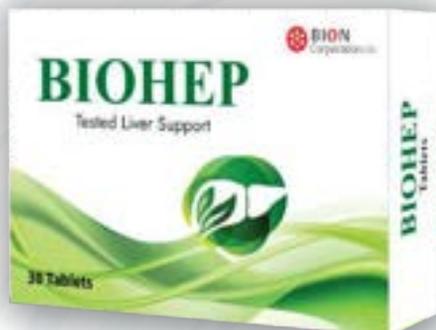

Phyllanthus Niruri (Bhui Amla)	600 mg	Terminalia Chebula (Haritaki)	50 mg
Cichorium Intybus (Kasni)	320 mg	Andrographis Paniculata (Kalmegh)	50 mg
Plumbago Zeylanica (Chitrak)	50 mg	Boerhavia Diffusa (Punarnava)	180 mg
Eclipta Alba (Bharingraj)	200 mg	Justicia Adhatoda (Adussa)	25 mg
Terminalia Arjuna (Arjun Chal)	40 mg	Black Cardamom (Bari Ilaichi)	45 mg
Berberis Aristata (Daru Haldi)	50 mg	Zingiber Officinale (Saunth)	25 mg

Indications:

- Liver diseases (hepatitis of various etiologies, cirrhosis, jaundice)
- Fatty liver
- Elevated bilirubin level
- Toxic effect of alcohol, drugs and other factors on hepatocytes.

Pack Size: 200 ml

Pack Size: 30

BIOHEP Tablet

Biohep is Bion's unique hepato protection combination of scientifically proven ingredients.

Each tablet contains:

Silymarin (Silybum Marianum)	140 mg
Artichoke (Cynara Scolymus)	150 mg
Dandelion root (Taraxacum Officinale)	200 mg
Alpha-Lipoic Acid	100 mg
Calcium D-Pantothenate	10 mg

Indications:

- Support normal liver functions
- Liver detoxification
- Supports liver regeneration
- Aid against free radicals

HEPABION Tablets

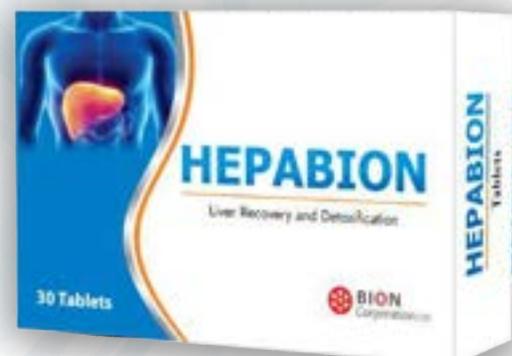

Hepabion is a natural complex that normalizes liver functions in acute and chronic pathological conditions.

Each tablet contains:

Ursodeoxycholic Acid	150 mg
Choline	150 mg
Rapeseed Lecithin	100 mg
Chanca Piedra	250 mg

Indications:

- Support normal liver functions
- Liver detoxification
- Supports liver regeneration
- Aid against free radicals

Pack Size: 30

GYNECOLOGY

FOLINAT Tablets

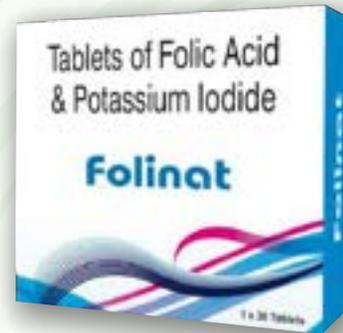

Folinat is combination of Iodide and Folic Acid which are important pre-conception and post-conception nutrients. **Folinat** supplies nutrients that are required to prepare female body for conception and pregnancy.

Each tablet contains:

Potassium Iodide	200 mcg
Folic Acid	600 mcg

Indications:

- Deficiency of Iodine and Folic acid
- Before and during pregnancy

Pack Size: 2x30

Pack Size: 3x10

MEMOGEN Capsule

Memogen is recommended as an additional source of dietary indole -3- carbinol to improve and normalize metabolic processes in the mammary glands and hormonal balance of the organism.

Each capsule contains:

Indole-3-Carbinol	200 mg
Vitex Agnus Castus	40 mg

Indications:

- Supportive effect in the treatment of cervical dysplasia
- Endometriosis, endometrial hyperplasia, mastitis
- Hormonal imbalance

MANOFLOL Sachet

Manoflor is a female probiotic formula with Cranberry, Hibiscus and D-Mannose. This immune supportive combinations of 2 probiotic strains with natural components helps to maintain the delicate balance of female micro flora.

Each sachet contains:

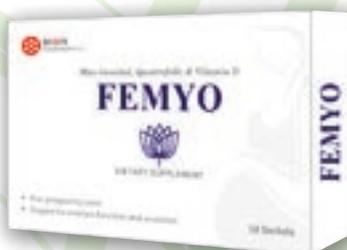

Lactobacillus Reuteri	2.5 Billion CFU
Lactobacillus Rhamnosus	2.5 Billion CFU
D-Mannose	600 mg
Cranberry	300 mg
Hibiscus Extract	100 mg

Indications:

- For healthy vaginal micro flora
- Recurrent infections of the urinary tract
- Inflammatory processes affecting the cervix or ovaries

Pack Size: 10's

Pack size: 10's

FEMYO Sachet

Femyo restores myo-inositol from the follicular level and reduces oxidative stress. **Femyo** reduces insulin resistance and helps to normalize the ovarian cycle and ovulatory function which helps in normal maturation of oocytes. **Femyo** is helpful for the normal metabolism of homocysteine and the development of maternal tissue during pregnancy.

Each sachet contains:

Myo-Inositol	2000 mg
Quatrefolic	556 mcg
Vitamin D	10 mcg

Indications:

- Stimulates female fertility
- Stimulates ovarian function
- Beneficial effects on quality of oocyte

GYNECOLOGY

GYNOSITOL Sachet

Gynositol is a comprehensive product recommended for improving women's reproductive health. Gynositol contains Myo-inositol, Folic acid, Alpha-lactalbumin, which contribute to the normalization of hormonal balance and metabolic processes in the body. Gynositol reduces insulin resistance and contributes to the normalization of the ovarian cycle and ovulatory function in women.

Each Sachet contains:

Myo-Inositol	2000 mg
Folic Acid	200 mcg
Alfa-lactalbumin	50 mcg

Indications:

- Improve reproductive function in women
- Normalization of hormonal balance
- Helps restore normal metabolic processes in the body

Pack Size: 30

Pack size: 20 Capsules

GYNOFOLIN Capsule

Gynofolin is a complex drug recommended to improve the reproductive health of women. Gynofolin contains Myo-inositol, Melatonin, Folic acid, Vitamin D, which contributes to the normalization of hormonal balance and metabolic processes in the body. Gynofolin also contributes to a more restful and relaxing sleep.

Each capsule contains:

Myo-Inositol	600 mg
Melatonin	1 mg
Acidum Folicum	200 mcg
Vitamin D	200 IU

Indications:

- Improve reproductive function in women
- Normalization of hormonal balance
- Supports natural metabolic processes in the body
- Improve the quality of sleep, make it easier to fall asleep

FERTIL Capsules

Fertil is a unique combination to improve health and performance of reproductive system of men and women. Fertil increases desire for sexual life, duration of intercourse, strength of male organ and improves quality of sperm. Fertil helps to improve libido and performance in females.

Each capsule contains

Macca Root	125 mg	L-Ornithine	25 mg
Royal Jelly (Apisacum)	125 mg	L-Citrulline	25 mg
Withania Somnifera	50 mg	Ginkgo Biloba	30 mg
Mucuna Pruriens	50 mg	Pycnogenol	20 mg
Asparagus Adscendens	50 mg	Epimedium Brevicornum	15 mg
Maltodextrin	50 mg	Eurycoma Longifolia	15 mg
L-Arginine	75 mg	Ginseng Rubra Radix	50 mg
L-Carnitine	50 mg		

Indications:

- For the prevention and treatment of sexual disorders in men and women
- To increase libido, strength and duration of erection.
- As monotherapy or in complex therapy of certain forms of infertility in men.
- Women with climacteric syndrome.

Pack Size: 120

Pack size: 30

Menosoft Tablets

Menosoft effectively supports the body during menopause, strengthens women's health, alleviates climacteric syndrome and normalizes the general condition.

Each Tablet contains:

Coenzyme Q10	75 mg
Trifolium Pretense	60 mg
Humulus Lupulus	60 mg
Dioscorea Villosa	35 mg
Pearl Powder	30 mg
Pueraria Lobate	25 mg
Anqelica Sinensis	25 mg

Indications:

- Menopause
- Improvement of the hormonal balance

GYNECOLOGY

FEMITEX Tablets

Femitex is indicated for use by women with symptoms of painful menstruation, irregular menstrual cycle, premenstrual syndrome.

Each Tablet contains:

Shatavari	200 mg
Dong Quai extract	200 mg
Evening Primrose Oil	125 mg
Vitex Agnus Castus Extract	125 mg
Zingiber Officinale	35 mg
Trigonella Foenum-Graecum	30 mg

Indications:

- Premenstrual syndrome (PMS)
- Disturbed menstrual cycle

Pack Size: 30

CYCLONORM Tablets

Cyclonorm is a natural herbal complex for women, which is used to treat menstrual irregularities.

Each Tablet contains:

Symplocos Racemosa	125 mg
Asparagus Racemosus	100 mg
Saraca Indica	100 mg
Glycyrrhiza Glabra	50 mg
Curcuma Longa	40 mg

Indications:

- Normalization of the menstrual cycle
- Normalizes the level of female sex hormones
- Prevents the development of estrogen-dependent diseases

Pack size: 30

METCARE Capsules

Metcare is complex for the prevention and correction of vitamin and mineral deficiency during pregnancy planning, during pregnancy and breastfeeding.

Each capsule contains:

Ascorbic Acid	80 mg	Iron Fumarate	50 mg
Vitamin E	12 mg	Calcium Carbonate	20 mg
Pyridoxine Hydrochloride (B6)	0.5 mg	Calcium Pantothenate	6 mg
Thiamine Mononitrate (B1)	5 mg	Potassium Iodide	140 µg
Cyanocobalamin (B12)	6 µg	Zinc Oxide	15 mg
Folic Acid	400 µg	Inositol	15 mg
Vitamin D3	10 µg	Sodium Selenate	50 µg
Nicotinamide (B3)	20 mg	Copper Anhydrous Sulfate	1 mg
Riboflavin (B2)	2 mg	Lutein	1 mg
Vitamin K	70 µg	Coenzyme Q10	25 mg
Vitamin K (Menaquinone 7)	19 µg	Cysteine	25 mg
D-Biotin	150 µg	L-Carnitine	60 mg
Magnesium Oxide	50 mg	L-Arginine	100 mg

Indications:

- During period of preparation for pregnancy
- Pregnancy and lactation
- Deficiency of minerals and vitamins in a woman's body

Pack Size: 60

Pack size: 30 Sachets

DIASITOL Sachet

Diasitol is a complex product containing Myo-inositol, Folic Acid and Vitamin B12, which together contribute to the normalization of hormonal balance and the restoration of normal metabolic processes in the body. Diasitol reduces peripheral insulin resistance and improves glucose metabolism in the body.

Each sachet contains:

Myo-inositol	2000 mg
Acidum Folicum	200 mcg
Vitamin B12	2.5 mcg

Indications:

- Reducing peripheral insulin resistance
- Normalization of hormonal balance
- Helps restore normal metabolic processes in the body

Pack size: 3x10

LUCORED Capsule

Lucored combines natural and time tested ingredients to give effective and natural antioxidant.

Each capsule contains:

Lucopen 10%	800 mcg
Methylcobalamine	800 mcg
Lutein 10%	4 mg
Grape Seed Extract	25 mg
Betacarotene 30%	5 mg

Indications:

- Disturbed ocular function
- Age-related macular degeneration (AMD)

EYEDERM Capsule

EyeDerm is an effective vitamin & carotenoids complex with a sulfur-containing amino acid taurine for eye health maintaining, antioxidant protection and prevention of the vision impairment.

Each capsule contains:

Blueberry Extract	200 mg
Taurine	100 mg
Lutein	12 mg
Zeaxanthin	2.4 mg
Vitamin A	2500 IU
Vitamin C	60 mg
Vitamin E	8 mg

Indications:

- Eyes protection from aggressive external influences (computer, driving, bright light)
- Inflammatory and degenerative changes in the retina, vitreous body and lens

Pack Size: 3x10

Pack Size: 3x10

UROGEN Capsule

Urogen is an effective combination to provide solution for different urology problems.

Each capsule contains:

D-Mannose	300 mg
Cranberry Extract (Vaccinium Macrocarpon)	100 mg
Zea Mays	15 mg
Bergenia Ligulata	50 mg
Bearberry	50 mg
Rosmarinus Officinalis	25 mg

Indications:

- Recurrent urinary tract infection.
- Cystitis
- Dysuria
